Why Is Dress Code Important?

1. It teaches students discipline.
2. It helps with overall focus and energy.
3. By "dressing the part" dancers feel like dancers.
4. It creates unity among the dancers instead of having a few stand out, much like a school uniform.
5. Students are more likely to concentrate on instruction and not fidget with their clothes.
6. Dress code goes a long way towards minimizing distractions and gives classes a unified look.
7. Dress code ensures that the teacher will be able to see a dancer's alignment and positioning.
