

FROSTY THE SNOWMAN

Frosty the snowman was a jolly happy soul

With a corncob pipe and a button nose

And two eyes made out of coal

Frosty the snowman is a fairy tale they say

He was made of snow but the children know how he came to life one day

There must have been some magic in that old silk hat they found

For when they placed it on his head he began to dance around

Frosty the snowman knew the sun was hot that day

So he said, "Let's run and we'll have some fun now before I melt away"

(Instrumental)

He lead them down the streets of town right to the traffic cop

And he only paused a moment when he heard him holler "STOP!"

Frosty the snowman had to hurry on his way

But he waved goodbye saying "Don't you cry I'll be back again someday"

Look at frosty go

Over the hills of snow

Go frosty go
